and  
Audited Consolidated and Seperate Financial Statements  
of  
Eastern Bank PLC.**

**As at & for the year ended 31 December 2025**

**Independent Auditor's Report to the Shareholders of Eastern Bank PLC.  
Report on the Audit of the Consolidated and Separate Financial Statements**

**Opinion**

We have audited the consolidated financial statements of Eastern Bank PLC. and its subsidiaries (the Group) as well as the separate financial statements of Eastern Bank PLC. (the Bank), which comprise the consolidated and separate balance sheets as at 31 December 2025, and consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flows for the year then ended, and notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2025, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with Rules and Regulation issued by Bangladesh Bank and IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB) as explained in note-2.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA Code), as applicable to audits of the financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Bangladesh. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to note-2 to the financial statements, where management has explained the basis of preparation of the financial statements, including compliance with Rules and Regulations issued by Bangladesh Bank on the classification of loans and advances/investments and the required impairment provision.

Our opinion is not modified in respect of this matter

## Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of the financial statements. These results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Description of key audit matters	Our response to key audit matters
<b>1. Measurement of provision for loans, advances/investments.</b>	
<p>With reference to Note 13.8 to the financial statements, the process for calculating the provision for loans, advances/investments portfolio associated with credit risk is significant and complex. The Bank calculates provision for loans, advances/investments by considering various factors such as rate of provision, loan category, expiry date, outstanding balance, interest suspense amount, value of eligible collateral as per BRPD circular no. 15 dated 27 November 2024 and its subsequent amendments.</p> <p>As per BRPD Circular No. 07 dated 16 September 2025 and BRPD Letter No. 26 dated 24 November 2025, banks are permitted to extend special policy support to genuinely affected borrowers through rescheduling, restructuring, and exit facilities. Under these circulars, loans rescheduled under special consideration are to be classified as SMA and maintained with the required general provisions. Furthermore, any previously maintained specific provisions against such loans cannot be transferred to income unless realized in cash. However, banks are allowed to</p>	<p>We tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> <li>• Credit appraisal, loan disbursement procedures, monitoring and provisioning process;</li> <li>• Identification of loss events, including early warning and default warning indicators;</li> <li>• Review of quarterly Classification of Loans (CL).</li> </ul> <p>Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:</p> <ul style="list-style-type: none"> <li>• We checked the no. of instalments outstanding and compliance with BRPD circulars;</li> <li>• Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines;</li> <li>• Tested the inputs in computation of provision in terms of testing the accuracy of underlying information.</li> </ul>

Description of key audit matters	Our response to key audit matters
<p>transfer previously maintained specific provisions to general provisions.</p> <p>As policy support is extended to individual borrowers on a case-to-case basis, each borrower and respective facility should be separately assessed and justified during the audit about loan classification and provisioning requirements.</p> <p>In Bangladesh, non-performing loans have been increasing day by day. Banks need to maintain provisions for additional non-performing loans in line with the central bank's guidelines. The Bank identifies impaired loan accounts and calculates required provisions manually. Furthermore, management may have intention to maintain lower provisions for loans and advances to misstate profit. Considering these factors, we have considered measurement of provision for loans, advances/investments as significant risk as well as a key audit matter.</p> <p>At the year end of 2025 the Group reported total gross loans, advances/investments BDT 479,546.99 million (2024: BDT 412,818.77 million) and in 2025 the Bank reported total gross loans, advances/investments of BDT 477,039.90 million (2024: BDT 410,717.61 million) whereas at the year end of 2025 the Group reported total provision for loans, advances/investments BDT 16,207.84 million (2024: BDT 14,713.75 million) and the Bank reported total provision for loans, advances/investments of BDT 15,644.45 million (2024: BDT 14,251.42 million).</p>	<p>Assessed the methodologies on which the provision amounts based (value of eligible securities, interest suspense), recalculated the provisions for loans and advances;</p> <p>For confirming the classification of rescheduled loans and advances, and related provision thereon. we performed the following procedures:</p> <ul style="list-style-type: none"> <li>• We checked the no. of instalments outstanding and compliance with BRPD Circular No. 16 dated 18 July 2022 and subsequent amendments;</li> <li>• Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines;</li> <li>• Tested the inputs in computation of provision in terms of testing the accuracy of underlying information;</li> <li>• Assessed the methodologies on which the provision amounts based (value of eligible securities, interest suspense), recalculated the provisions for loans and advances; and</li> <li>• In addition, we reviewed individual policy support letters issued by Bangladesh Bank relating to affected borrowers, which specifically outline the classification and provisioning requirements of rescheduled loans under policy support arrangements as per BRPD Circular No. 07 dated 16 September 2025 and BRPD Letter No. 26 dated 24 November 2025.</li> </ul> <p>We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.</p>
<p>See note no. 13.8 to the financial statements</p>	

Description of key audit matters	Our response to key audit matters
<b>2. Recognition of interest income on loans, advances/investments</b>	
<p>Recognition of interest income has significant and wide influence on financial statements. Recognition and measurement of interest income have involved complex IT environments.</p> <p>We identify recognition of interest income from loans, advances/investments as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error and misstatement in recognition of interest by management to meet specific targets or expectations.</p>	<p>We tested the design and operating effectiveness of key controls over recognition and measurement of interest on loans, advances/investments focusing on the following.</p> <ul style="list-style-type: none"> <li>• We performed test of operating effectiveness on automated control in place to measure and recognize interest income.</li> <li>• We have also performed substantive procedure to check whether interest income is recognized completely and accurately.</li> <li>• Reviewing transfer of interests to the income account in line with the Bangladesh Bank's guidelines</li> <li>• We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.</li> <li>• We performed procedures to ensure that the revenue recognition criteria adopted by each group entity for all major revenue streams is appropriate and in line with the Group's accounting policies</li> </ul>
See note no. 22.3 to the financial statements	
<b>3. Valuation of treasury bill and treasury bond</b>	
<p>The classification and measurement of T-Bills and T-Bonds involve significant judgment and the application of complex valuation techniques.</p> <p>In the absence of quoted prices in an active market, the fair value of these instruments is determined using valuation models that may incorporate direct or indirect unobservable market data. These models require the application of complex pricing methodologies and an elevated level of professional judgment.</p>	<p>We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and bonds.</p> <p>We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and bonds valuation processes, including controls over market data inputs into valuation models, model governance and valuation adjustments.</p> <p>We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.</p> <p>Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p>
See note no. 6 to the financial statements	

Description of key audit matters	Our response to key audit matters
<p>Due to the inherent complexity and estimation uncertainty in both areas, and the materiality of the amounts involved, we have determined them as a key audit matter.</p>	<p>We also assessed the completeness and accuracy of the data used for the estimations of future taxable income to ensure that The Bank has sufficient taxable profit to recover the deferred tax assets in foreseeable future.</p> <p>We recalculated the current tax provision and deferred tax assets to ensure that the Bank has determined them in accordance with the applicable laws and regulations.</p> <p>We engaged our tax specialist team to assess the key assumptions, controls, and the recognition and measurement of both current and deferred tax.</p> <p>Finally, we assessed the appropriateness and presentation of the disclosures in accordance with IAS 12, Income Taxes, including the deduction of deferred tax assets from regulatory capital.</p>
<p>See note no. 9.7 and 13.4.1 to the financial statements</p>	

### Other information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Description of key audit matters	Our response to key audit matters
<b>4. IT systems and controls</b>	
<p>Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.</p> <p>Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.</p>	<p>We tested the design and operating effectiveness of the Bank's IT access controls over the information systems that are critical to financial reporting.</p> <p>We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.</p> <p>We tested the Bank's periodic review of access rights and reviewed requests of changes to systems for appropriate approval and authorization.</p> <p>We considered the control environment relating to various interfaces, configurations and other application layer controls identified as key to our audit.</p> <p>We performed the tests of IT general controls to evaluate the application development and database, hosting platforms and segregation of incompatible duties relevant to application and database change management.</p>
<b>5. Adequacy of income tax provision and measurement of deferred tax</b>	
<p>The adequacy of the income tax provision and the measurement of deferred tax assets is considered a key audit matter due to the significant judgment involved in determining both the current and deferred tax, as well as the potential impact on the financial position and performance of the company. These areas involve complex estimates, the application of tax laws, and the assessment of future taxable income, which require careful consideration and professional judgment.</p> <p>Both income tax provisions and deferred tax assets rely on significant estimates. There is a risk that these estimates may be incorrect or overly optimistic, particularly in the case of deferred tax assets, which can be recognized only if it is probable that the Bank will have future taxable profits against which the deferred tax assets can be utilized.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the recognition and measurement of both current tax and deferred tax, including the assumptions used in estimating the Bank's taxable income.</p> <p>We carefully reviewed any ongoing tax litigation between the Bank and the income tax authority, as well as the tax positions for the years where income tax assessments are still pending. We also assessed the adequacy of the tax provision recorded by the Bank. Special attention was given to any reversals or adjustments made to the income tax provision from prior years.</p>

## **Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls**

Management is responsible for the preparation of consolidated and separate financial statements that give a true and fair view in accordance with Rules and Regulation issued by Bangladesh Bank and IFRS Accounting Standards as issued by the IASB as explained in note-2 and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991(amended up to date) and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

## **Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other Legal and Regulatory Requirements

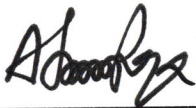

In accordance with the Companies Act 1994, the Bank Company Act 1991 (amended up to date) and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;
- (iii) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (iv) the separate balance sheet and separate profit and loss account dealt with by the report are in agreement with the books of account and returns;
- (v) the consolidated financial statements of the Group and the separate financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
- (vi) adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- (vii) Based on our checking of sample, no advance or loan in excess of the amount determined by Bangladesh Bank from time to time has been sanctioned or allowed;
- (viii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls:
  - (a) internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
  - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities;
- (ix) financial statements for the year ended 31 December 2025 of subsidiary companies of the Bank namely EBL Securities PLC, EBL Investments Limited and EBL Asset Management Limited have been audited by MABS & J Partners, Chartered Accountants and EBL Finance (HK) Limited has been audited by Kingston C.P.A Limited, Certified Public Accountants, Hong Kong, where the respective auditors expressed unmodified audit opinions. These have been appropriately reflected in the consolidated financial statements;

- (x) the information and explanations required by us have been received and found satisfactory;
- (xi) we have reviewed over 80% of the risk-weighted assets of the Bank and spent over 13,000 person hours;
- (xii) Capital to Risk-weighted Asset Ratio (CRAR), Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR) as required by Bangladesh Bank has been maintained adequately as at 31 December 2025;
- (xiii) As part of our going concern assessment, we reviewed maturity mismatch between assets and liabilities which may negatively affect bank's liquidity position subsequently; and
- (xiv) Non-banking assets have been accounted in conformity with Bangladesh Bank guidelines.

**2 Basis of preparation and significant accounting policies**

**Basis of preparation**

**Separate and consolidated financial statements**

The financial statements of the Bank comprise those of its Domestic Banking Operations (including representative office), Offshore Banking Operations and Islamic Banking Operation; and the consolidated financial statements of the group comprise those of 'the Bank' (parent company) and its subsidiaries (together referred to as 'the group' and individually referred to as 'group entities/subsidiaries').

There was no significant change in the nature of principal business activities of the Bank and its subsidiaries during the financial year.

## 2.1 Statement of compliance

The consolidated and separate financial statements of the Group and the Bank have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the Financial Reporting Council (FRC) under the Financial Reporting Act (FRA), 2015 and the requirements of the Bank Company Act 1991 (as amended up to date), the circulars, rules and regulations issued by Bangladesh Bank (BB), the Companies Act 1994, the Securities and Exchange Rules 2020. In case any requirement of the Bank Company Act 1991 (as amended up to date), and provisions and circulars issued by Bangladesh Bank differ with those of IFRSs, the requirements of the Bank Company Act 1991 (as amended up to date), and provisions and circulars issued by Bangladesh Bank shall prevail. In addition to above, the Bank complied with requirements of following laws and regulations:

- a) Bangladesh Securities and Exchange Commission Ordinance 1969;
- b) Bangladesh Securities and Exchange Commission Act 1993;
- c) Bangladesh Securities and Exchange Commission (Public Issue) Rules 2015;
- d) Income Tax Act 2023 and its amendment(s);
- e) The Value Added Tax and Supplementary Duty Act 2012 and its amendment(s); and
- f) The Value Added Tax and Supplementary Duty Rules 2016 and its amendment(s).

In addition, separate financial statements specific to Islamic Banking operations for the year ended December 31, 2025, have been prepared in accordance with regulatory and Shariah requirements and are included in this Annual Report.

**Material departures from the requirements of IFRSs are as follows:**

### i) Presentation of financial statements

**IFRSs:** As per IAS 1 *Presentation of financial statements*, financial statements shall comprise a statement of financial position as at the end of the period, a statement of profit or loss and other comprehensive income for the period, a statement of changes in equity for the period, a statement of cash flows for the period and notes - comprising significant accounting policies and other explanatory information. As per IAS 1, the entity shall also present current and non-current assets and liabilities as separate classifications in its statement of financial position.

**Bangladesh Bank:** The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flow statement, statement of changes in equity, liquidity statement) and certain disclosures therein are guided by the First Schedule (section 38) of the Bank Company Act 1991 (as amendment up to date) and BRPD circular no. 14 dated 25 June 2003 and subsequent guidelines of Bangladesh Bank. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

### ii) Investment in equity instruments (shares, mutual funds, etc.) except investment in subsidiaries

**IFRSs:** As per requirements of IFRS 9 *Financial Instruments*, classification and measurement of investment in equity instruments (shares & securities) depend on the nature of their contractual cash flows as well as how these are managed (the entity's business model). Based on these factors, it generally falls either under 'at fair value through profit and loss account' or 'at fair value through other comprehensive income'. Any subsequent change in the fair value at the year-end is recognized to profit and loss account or other comprehensive income depending on the entity's business model.

**Bangladesh Bank:** Provision for diminution of value of quoted shares, mutual funds (closed-end) and bonds has been made on 'portfolio basis' netting off gain following DOS circular letter no. 1 dated 24 May 2023 and provision for diminution of value of unquoted shares and mutual funds has been made on the basis of net worth (Assets - Liabilities) of shares and surrender price of mutual funds respectively.

The Bank conducts daily reviews of its investments in shares and mutual funds and reports them at each quarter-end on a mark-to-market basis. In accordance with circulars issued by Bangladesh Bank, a cumulative provision of BDT 1,811.68 million has been maintained as at 31 December 2025 (Note 13.14).

### iii) Revaluation gain/loss on government securities

**IFRSs:** Government securities primarily consist of debt instruments including Treasury Bonds and Treasury Bills. In accordance with IFRS 9 *Financial Instruments*, Treasury Bills and Treasury Bonds meet the 'Solely Payments of Principal and Interest (SPPI)' criteria and are classified based on the Bank's business model for managing these financial assets. Accordingly, these instruments are initially recognized either at amortized cost or at fair value through other comprehensive income (FVOCI).

Where government securities are measured at FVOCI, changes in fair value (mark-to-market gains or losses) are recognized in Other Comprehensive Income (OCI), except for impairment gains or losses and any foreign exchange gains or losses, which are recognized directly in profit or loss accounts.

**Bangladesh Bank:** According to DOS circular no. 5 dated 26 May 2008 and subsequent clarification in DOS circular no. 5 dated 28 January 2009, amortization gain/loss is charged to profit and loss account, mark-to-market loss on revaluation of government securities (T-bills/T-bonds) categorised as Held for Trading (HFT) is charged to profit and loss account, but any unrealised gain on such revaluation is recognised to revaluation reserve account. Securities designated as Held to Maturity (HTM) are measured at amortised cost method but income/gain is recognised through equity.

### iv) Provision on loans and advances, off-balance sheet exposures including other commitments

**IFRSs:** As per IFRS 9 *Financial Instruments*, an entity shall recognize an impairment allowances on Loans and advances following Expected Credit Losses (ECL) model and shall subsequently remeasure the impairment allowances on Loans and advances at each reporting date. If the credit risk on these Loans and advances increase significantly, an entity shall measure the impairment allowances at an amount equal to lifetime ECL.

If the credit risk on these Loans and advances does not increase significantly, an entity shall measure the impairment allowances equivalent to 12 months ECL that may result from default events on such Loans and advances within 12 months after reporting period.

**Bangladesh Bank:** As per Bangladesh Bank instructions through different circulars, general provision (GP) is charged on unclassified loans (standard/SMA loans) at the rates ranging from 0.5% to 5% and specific provision on classified loans including certain rescheduled loans (netting off any eligible securities) is charged at the rates ranging from 20% to 100%. Also, a general provision ranging from 0.5% - 1% to be charged on certain off-balance sheet exposures (including other commitments). Such provision policies are not specifically in line with those prescribed by IFRS 9.

However, Eastern Bank PLC. is currently working toward implementing ECL-based loan classification and provisioning under IFRS 9, in accordance with BRPD Circular Letter No. 03 dated 23 January 2025.

A total of 07 companies have taken special rescheduling facilities under policy support of BRPD circular no. 07 dated 16 September 2025 issued by Bangladesh Bank. The Bank has maintained provision against these rescheduling loans as per the said circular, and subsequent BRPD circular letter no. 26 dated 24 November 2025, and relevant instructions as mentioned in specific approval letter for specific loans issued by Bangladesh Bank in this regard.

The Bank maintained a cumulative general provision of BDT 6,168.33 million (general provision of BDT 4,621.47 million for unclassified loans & advances, and BDT 1,546.86 million for off-balance sheet exposures) and specific provision of BDT 11,022.98 million for classified, rescheduled and stay order accounts on 31 December 2025 (note 13.8).

**v) Other comprehensive income and appropriation of profit**

**IFRSs:** As per IAS 1 *Presentation of financial statements*, other comprehensive income (OCI) is a component of financial statements or the elements of OCI are to be included in a single other comprehensive income (OCI) statement. IFRSs do not require appropriation of profit to be shown on the face of the statement of comprehensive income.

**Bangladesh Bank:** The templates of financial statements issued by Bangladesh Bank do not include other comprehensive income nor are the elements of other comprehensive income allowed to be included in a single other comprehensive income (OCI) statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI are shown in the statement of changes in equity. Furthermore, the above templates require disclosure of appropriation of profit on the face of profit and loss account.

**vi) Financial instruments - presentation and disclosure**

As per BB guidelines, in certain cases financial instruments are categorized, recognized, measured and presented differently from those prescribed in IAS 32 *Financial Instruments: Presentation*, IFRS 7 *Financial Instruments - Disclosures* and IFRS 9 *Financial Instruments*. As such, some disclosures and presentation requirements of IAS 32, IFRS 7 and IFRS 9 cannot be fully made in these financial statements.

**vii) Repo and reverse repo transactions**

**IFRSs:** As per requirements of IFRS 9 *Financial Instruments*, when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the same (or a similar) asset at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a collateralized borrowing and the underlying asset continues to be recognised in the entity's financial statements. This transaction will be treated as borrowing and the difference between selling price and repurchase price will be treated as interest expense. The same rule applies to the opposite side of the transaction (reverse repo).

**Bangladesh Bank:** As per Bangladesh Bank circulars/guidelines, when a Bank sells a financial asset and simultaneously enters into an agreement to repurchase the same (or a similar) asset at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a normal sale transaction and the financial assets are to be derecognized in the seller's book and recognised in the buyer's book.

**viii) Financial guarantees**

**IFRSs:** As per IFRS 9 *Financial Instruments*, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of the instrument. Financial guarantee liabilities are recognized initially at their fair value and is amortized over the life of the instrument. Any such liability is subsequently carried at the higher of this amortized amount and the present value of any expected payment when a payment under the guarantee becomes probable. Financial guarantees are prescribed to be included within other liabilities.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003, financial guarantees such as letter of credit (LC) & letter of guarantees (LG) should be treated as off-balance sheet items. No liability is recognized for such guarantee except the cash margin. However, general provision is maintained against such guarantees complying with BRPD circular no. 06 dated 25 April 2023.

**ix) Cash and cash equivalents**

**IFRSs:** Cash and cash equivalent items should be reported as cash item as per IAS 7 *Statements of cash flows*.

**Bangladesh Bank:** Some highly liquid assets such as money at call and short notice, T-bills/T-bonds, prize bonds are not prescribed to be shown as cash and cash equivalents; rather shown as face item in the balance sheet. However, in the cash flow statement, money at call and short notice and prize bonds are shown as cash and cash equivalents beside cash in hand, balance with Bangladesh Bank and other banks.

**x) Non-banking assets**

**IFRSs:** No indication of non-banking assets is found in any IASs/IFRSs.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003 of Bangladesh Bank, there exists a face item named non-banking assets. Details are given in *Annexure-D1*.

**xi) Cash flow statement**

**IFRSs:** Cash flow statement can be prepared either in direct method or indirect method. The presentation method is selected to present cash flow information in a manner that is most suitable for the business or industry. Whichever method selected should be applied consistently.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003 of Bangladesh Bank, cash flow statement is prepared following a mixture of direct and indirect method.

**xii) Balance with Bangladesh Bank (cash reserve requirement)**

**IFRSs:** Balance with Bangladesh Bank should be treated as other assets as it is not available for use in day-to-day operations as per IAS 7 *Statement of cash flows*.

**Bangladesh Bank:** Balance with Bangladesh Bank should be treated as cash and cash equivalents.

**xiii) Off-balance sheet items**

**IFRSs:** No concept of off-balance sheet items in any IFRS/IAS/IFRIC; so nothing to disclose as off-balance sheet items.

**Bangladesh Bank:** As per BRPD circular no.14 dated 25 June 2003, off-balance sheet items i.e. letter of credit (LC), letter of guarantee (LG), acceptance are disclosed separately on the face of the balance sheet.

**xiv) Presentation of loans and advance net of provision**

**IFRSs:** Loans and advances shall be presented at amortized cost net of any write down for impairment (expected credit losses that result from all possible default events over the life of the financial instrument).

**Bangladesh Bank:** As per BRPD circular 14 dated 25 June 2003, provision on loans and advances should be presented separately as liability and cannot be netted off against loans and advances.

**xv) Recognition of interest in suspense**

**IFRSs:** Loans and advances to customers meet the 'Solely Payments of Principal and Interest (SPPI)' criteria in accordance with IFRS 9 *Financial Instruments*. As the Bank's business model for these financial assets (loans and advances) is to hold them for the collection of contractual cash flows, they are initially recognized at amortized cost.

Interest income on loans and advances classified under Stage 1 and Stage 2 is recognized using the Effective Interest Rate (EIR) method on the gross carrying amount. Upon a significant increase in credit risk, when such assets (loans and advances) are transferred to Stage 3, interest income is recognized using the EIR method on the net carrying amount (i.e., gross carrying amount less the expected credit loss allowance).

It is noted that IFRS 9 does not contain any explicit concept of "interest in suspense."

**Bangladesh Bank:** As per BRPD circular no. 14 dated 23 September 2012 and BRPD Circular no. 03 dated 21 April 2019, interest on classified loans are not allowed to be recognized as income, instead to be credited to an interest suspense account, which is presented as liability in the balance sheet.

**xvi) Presentation of intangible asset**

**IFRSs:** An intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38.

**Bangladesh Bank:** There is no specific regulation for intangible assets in BRPD circular no. 14 dated 25 June 2003. However, intangible assets of Bank are shown in fixed assets.

*\*Please refer to note 2.11 compliance of International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) for further details.*

**2.2 Basis of measurement**

The consolidated financial statements of the Group and the separate financial statements of the Bank have been prepared on the historical cost basis except for the following material items:

- Government treasury bills and bonds designated as 'Held for Trading (HFT)' are marked-to-market weekly with resulting gain credited to revaluation reserve account but loss charged to profit and loss account.
- Government treasury bills and bonds designated as 'Held to Maturity (HTM)' are amortized yearly with resulting gain credited to amortization reserve account but loss charged to profit and loss account.

**Margin Loan:** EBL Securities PLC. and EBL Investments Limited provide margin loan to its customers. Margin Loan has been subsequently measured and provision has been made for impairment of margin loan as per BSEC letter no. BSEC/SMMID/NE/AP/2025/108/639 dated 16 November, 2025.

**Investment in securities:** Investment in securities by EBLSL and EBLIL are measured as per BSEC letter no. BSEC/SMMID/NE/AP/2025/108/639 dated 16 November, 2025. Considering the prevailing conditions of the capital market in Bangladesh, Bangladesh Securities and Exchange Commission has granted regulatory relaxation to EBLSL and EBLIL regarding the maintenance of provisions against negative equity and unrealized losses on securities

**2.3 Going concern basis of accounting**

These financial statements have been prepared on the basis of an assessment of the Bank's ability to continue as a going concern. EBL has neither any intention nor any legal or regulatory compulsion to liquidate or curtail materially the scale of any of its operations. The key financial parameters (including liquidity, profitability, asset quality, provision sufficiency and capital adequacy) of the Bank continued to exhibit a healthy trend for years. The rating outlook of the Bank as denoted by the rating agency CRAB is 'stable'. Besides, the management is not aware of any material uncertainties that may cast significant doubt upon the Bank's ability to continue as a going concern.

**2.4 Use of estimates and judgments**

The preparation of the consolidated financial statements of the Group and the separate financial statements of the Bank in conformity with IFRSs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the

estimate is revised and in any future period affected.

Key estimates include the following:

- a. Provision for loans and advances, investments.
- b. Fair value determination of unquoted investments/shares
- c. Right of use of assets (RoU) as per IFRS 16 and lease liabilities
- d. Provision for current taxation
- e. Deferred Tax assets/liabilities
- f. Remeasurement gain/(loss) of defined benefit obligation and plan assets
- g. Provision for gratuity & superannuation fund  
(as explained the above items in note # 13)

## 2.5 Foreign currency transactions and translations

### Functional and presentation currency

The financial statements of the Group and the Bank are presented in Bangladesh Taka (BDT) which is the functional currency of the parent, except offshore banking operation and EBL Finance (HK) Ltd. where functional currency is US Dollar (USD) and Hong Kong Dollar (HKD) respectively. All financial information presented in Taka has been rounded off to the nearest integer, except when otherwise indicated.

### Conversion of foreign currency transactions

Foreign currency transactions of the Bank and its subsidiaries are converted into respective functional currencies (Bangladesh Taka in case of DBO, US Dollar in case of OBO and HKD in case of EBL Finance (HK) Limited) at the rate of exchange prevailing on the day of transactions. Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at standard mid-rate of exchange prevailing at the reporting date. Effects of exchange rate differences (rates at which transactions were initially recorded and the rate prevailing on the reporting date/date of settlements) applied on the monetary assets and liabilities of the Bank are recorded in the profit and loss account as per IAS 21 *The Effects of Changes in Foreign Exchange Rates*.

### Translation of foreign currency financial statements

Assets and liabilities of OBO and EBL Finance (HK) Limited have been translated into Taka (functional currency of the Bank) using year-end standard mid-rate of exchange (i.e. the closing rate) whereas income and expenses are translated using monthly average rate of standard mid-rates of exchange of the Bank. The cumulative amount of net exchange rate differences has been presented separately as a component of equity as per IAS 21 *The Effects of Changes in Foreign Exchange Rates*.

## 2.6 Basis of consolidation

The financial statements of the Bank and its subsidiaries have been consolidated in accordance with *IFRS 10 Consolidated Financial Statements*. Intra-company transactions, balances and intra-group gains/losses on transactions between group companies are eliminated on consolidation. The total profit of the Bank and its subsidiaries has been shown in the consolidated profit and loss account. All assets and liabilities of the Bank and its subsidiaries are shown in the consolidated Balance Sheet. The consolidated financial statements are prepared for a common reporting year (also called 'accounting year') that ended on 31 December 2025.

## 2.7 Cash flow statement

Cash flow statement has been prepared in accordance with IAS 7 *Statement of cash flows* and under the guideline of BRPD circular no. 14 dated 25 June 2003 issued by Bangladesh Bank. The statement shows the structure of changes in cash and cash equivalents during the financial year.

## 2.8 Statement of changes in equity

Statement of changes in equity has been prepared in accordance with IAS 1 *Presentation of Financial Statements* and under the guidelines of BRPD circular no.14 dated 25 June 2003 issued by Bangladesh Bank.

## 2.9 Reporting period

These financial statements of the Group, the Bank and its subsidiaries cover 01 (One) calendar year from 01 January to 31 December.

## 2.10 Liquidity statement

The liquidity statement has been prepared mainly on the basis of remaining maturity grouping of assets and liabilities as at the close of the year as per following bases:

Particulars	Basis of use
Cash, balance with other banks and financial institutions, money at call and on short notice, etc.	Stated maturity/observed behavioral trend.
Investments	Residual maturity term.
Loans and advances	Repayment/maturity schedule and behavioral trend (non-maturity products).
Fixed assets	Useful life.
Other assets	Realization/amortization basis.
Borrowings from other banks and financial institutions	Maturity/repayment term.
Deposits and other accounts	Maturity and behavioral trend (non-maturity products).
Other long term liability	Maturity term.
Provision and other liability	Settlement/adjustment schedule basis.

## 2.11 Significant accounting policies

The accounting policies set out and presented in these financial statements have been applied consistently to all the periods by group entities except otherwise instructed by Bangladesh Bank as the primary regulator. Significant accounting policies applied in these financial statements are presented separately with relevant notes.

### Accounting policies of subsidiaries

The financial statements of subsidiaries which are included in the consolidated financial statements of the Group have been prepared using uniform accounting policies of the Bank (the Parent) for transactions and other events of similar nature unless there is any otherwise instruction by regulators.

## 2.12 Accounting for changes in policy, accounting estimates and errors

As per IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*, any material changes in accounting policies or correction of errors be applied retrospectively. In contrast, changes in accounting estimates should be applied prospectively. The carrying amount of assets, liabilities, or equity may be changed following a change in accounting estimates in the period of the change.

## 2.13 Others

### i) Materiality and aggregation

Each material class of similar items has been presented separately in the financial statements. Items of dissimilar nature also have been presented separately unless they are immaterial in accordance with IAS 1 *Presentation of financial statements*.

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the assets and settle the liabilities simultaneously. Advance tax paid and provision for tax of the Bank is presented on net basis under liability as the amount of tax liability is higher than advance tax. Deferred tax (DT) assets and DT liabilities of the Bank are presented on net basis under asset as the amount of DT asset is higher than DT liability. Net defined benefit obligation is presented under liability as defined benefit obligation is higher than fair value of plan assets. Card revenues and expenses earned and incurred on shared basis and are directly attributable to are presented on net off basis.

### ii) Comparative information

Comparative information including narrative is disclosed in respect of the preceding period where it is relevant to enhance the understanding of the current period's financial statements.

Certain comparative amounts in the financial statements are reclassified and rearranged where relevant, to conform to the current year's presentation.

### iii) Earnings per share (EPS)

As per IAS 33 *Earnings per share*, the Bank has been reporting basic earnings per share as there has been no dilution possibilities during the year. Basic EPS is computed by dividing the profit or loss attributable to ordinary shareholders of the Bank by the number of ordinary shares outstanding during the period. Bonus shares issued (if any) in current period are considered for number of ordinary shares outstanding for preceding period to present comparative EPS with retrospective adjustment i.e. restated EPS.

### iv) Related party transactions

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence.

Related party transaction is a transfer of resources, services, or obligations between related parties, regardless of whether a price is charged as per IAS 24 *Related party disclosure*, Bangladesh Bank & BSEC guidelines. Details of the related party transactions have been disclosed in Annexure - C and Annexure - C1. The Bank carries out business with related parties in the ordinary course of business on an arm's length basis at commercial rates except for those transactions (loans/CC) that the key management personnel have availed at concessionary rates which is applicable for all the eligible staffs. From 2022, the Bank has discontinued procuring goods and services (i.e. courier, internet, refreshment items etc.) from certain related party entities following Bangladesh Bank BRPD circular -12 dated 15 June 2022 (restricting banks from procuring goods or services from "related parties") and BRPD Circular No. 03 dated 08 May 2025 as disclosed in Annexure - C1.

Transactions between the Bank and its subsidiaries and outstanding amount within the group are disclosed in **Annexure - C1**.

### v) Reconciliation of books of account

Books of account in regard to inter-Bank (in Bangladesh and outside Bangladesh) as well as inter-branches are reconciled at regular intervals to keep the unreconciled balances within non-material level.

### vi) Events after the reporting period

All material events after the reporting period have been considered and appropriate adjustments/disclosures have been made in the financial statements as per IAS 10 *Events after the reporting period*. Board's recommendation for dividend distribution is a common item presented in the *note 44*.

vii) Operating segments

The Group has identified following seven reportable segments which are the Group's major strategic business units/entities. The strategic business units offer different products and services, and are managed separately based on the management and internal reporting structure of the group. For each of the strategic business units, the Group's/Bank's Management Committee reviews internal management reports on quarterly basis. The following summary describes the operations in each of the reportable segments:

	Segment Name	Description
SOLO	DBO (Domestic Banking Operation)	Deals with the full range of commercial banking products and services offered by three different business units: Corporate, Retail & SME Banking and Treasury.
	OBO (Offshore Banking Operation)	Deals with loans, deposits and related banking transactions in freely convertible foreign currencies with eligible Corporate customers in EPZs, PEPZs, EZs and Hi-tech Parks.
	IB (Islamic Banking)	It offers Shariah Compliant Products & Services like Al-Wadiah Current Account, Mudarabah Savings, Murabahah, Musharakah to our valued clients. All in all, EBL Islamic Banking is grounded in the principles of trust, transparency, and compliance with Shariah law guided by experienced Shariah Supervisory Committee.
CONSOL	EBL Securities PLC. (EBLSL)	It buys, sells and deals with capital market securities i.e shares, MFs, debentures etc., on behalf of customers and provides margin loan facilities etc.
	EBL Investments Limited (EBLIL)	It offers all kinds of merchant banking activities i.e. issue management, underwriting, portfolio management and other transactions.
	EBL Finance (HK) Limited	It deals with trade finance and off-shore banking business in Hong Kong.
	EBL Asset Management Limited (EBLAML)	It carries out business on asset management, portfolio management, capital market operation, equity investment, financial services i.e. corporate advisory, merger & acquisition, corporate restructuring etc.

Information regarding the results of each reportable segment is included in **Annexure - E**. Performance is measured based on segment revenue and profit, as included in the internal management reports that are reviewed by the management committee of the Bank. Segment profit is used to measure performance as management believes that such information is relevant in evaluating the results of certain segments.

viii) Risk management and other related matters

Financial institutions are in the business of taking calculative risk and it is important how a Bank decides on its risk appetite. EBL firmly believes that robust risk management is the core function that makes its business sustainable. The risk management systems of the Bank in place are discussed below:

a) Credit risk

Credit risk is the risk of loss resulting from the failure of a borrower or counterparty to honor its financial or contractual obligations to the Bank. Board of Directors is the apex body for credit approval of the Bank. However, a part of credit approval authority is sub-delegated to the Managing Director and other officers of the Credit Risk Management (CRM) Division. The Board approves credit policies for the management for setting procedures, which together has structured the CRM framework of the bank. The Credit Policy Manual (CPM) contains the core principles for identifying, measuring, approving and managing credit risk in the bank. The policy covers corporate, retail, Small and Medium Enterprise (SME) exposures. Policies and procedures together have structured and standardized CRM process both in obligor and portfolio level. There is a comprehensive credit appraisal procedure that covers industry/business risk, management risk, financial risk, facility structure risk, security risk, environmental risk, reputational risk, and account performance risk.

Management reviews, at least once in a quarter, the credit exposures and portfolio performance of corporate under a clearly set out 'early alert' policy. If early alerts are raised, account plans are then re-evaluated; remedial actions are set, executed and monitored. Remedial action includes, but not limited to exposure reduction, security enhancement, exit of relationship or immediate transfer to Special Asset Management Division (SAMd).

The Bank complies with the loan classification and provisioning criteria prescribed under circulars and directives issued from time to time by Bangladesh Bank. Adequate provisions have been maintained against impaired loans in accordance with the relevant regulatory requirements. Details are disclosed in Notes 13.5–13.10 to the financial statements

b) Liquidity risk

The responsibility of managing and controlling the Bank's liquidity lies with the Asset Liability Committee (ALCO), which convenes at least once in a month. The Asset Liability Management (ALM) desk primarily responsible for liquidity risk management, diligently oversees and regulates liquidity requirements on a daily basis through effective coordination of funding activities. In each ALCO meeting, a monthly projection of fund flows is routinely reviewed.

On a monthly basis, ALCO manages liquidity by assessing key ratios, upcoming funding requirements from all business units, and the asset-liability mismatch. The committee also keeps a close eye on the concentration of deposits from large institutional depositors due to its volatile nature. To further enhance liquidity oversight, the Bank prepares a structural liquidity profile, a maturity profile of term deposits, cash flow modeling, and a contingency funding plan on a monthly basis. These comprehensive analyses are presented and discussed in ALCO meetings to ensure that liquidity levels meet the standards acceptable to both the Bank and regulatory authorities.

**c) Market risk**

Risk Management Division (RMD) is responsible for overall monitoring, control and reporting of market risk. Treasury mid office of RMD is an integral part of market risk management which independently evaluates and monitors treasury department's transaction from risk perspective. Overall risk parameters and exposures of the Bank are monitored by RMD, periodically reported to Executive Risk Management Committee (ERMC) and observations are shared with RMC of the Board. Market risk can be subdivided into three categories depending on risk factors: i) interest rate risk, ii) foreign exchange risk, and iii) equity price risk.

**i) Interest rate risk**

Interest rate risk is the risk to earnings or capital of the Bank arising from movement of interest rates. The movement of interest rates affects bank's reported earnings and capital by changing:

- Net interest income
- The market value of trading accounts (and other instruments accounted for by market value), and
- Other interest sensitive income and expenses.

To manage interest rate risk, ALCO regularly monitors various ratios and parameters. The Bank deploys several analysis techniques (e.g. rate sensitive gap analysis, duration gap analysis) to measure interest rate risk, its impact on net interest income and takes insight about course of actions.

**ii) Foreign exchange risk**

Foreign exchange risk refers to the potential impact on a bank's financial performance or position due to fluctuations in exchange rates between currencies. The Bank encounters this risk through its import payments and outward remittances, constituting outflows, while receiving foreign currency inflows from export receipts and inward remittances. The mismatch between these inflows and outflows on a given day can lead to exchange rate risk, causing the Bank to have a long or short position resulting from customer-driven activities.

Additionally, if the Bank sources funding in one currency by converting funds from another, it faces foreign exchange risk. The Bank remains cautious in currency conversion and takes hedges against such exposures.

To manage this risk, the Bank calculates Value at Risk (VaR) on its foreign exchange position, arising from customer-driven transactions, at a 95% confidence level on a daily basis. The Bank strategically maintains various nostro accounts to facilitate operations in different currencies. As of the end of each day, the Bank ensures that its position adheres to the specified limits set by the Bangladesh Bank.

**iii) Equity price risk**

Equity price risk is the risk of losses caused by changes in equity prices. These losses could arise because of changes in the value of listed shares held directly by the Bank, its subsidiaries and changes in the value of listed shares used as collateral for loans.

Mark-to-Market is the process the Bank applies for maintaining provision against losses arisen from changes in market price of securities. As of 31 December 2025, the Bank had a cumulative provision of BDT 1,811.68 million charging its profit and loss account over the periods to cover unrealized loss against quoted and unquoted securities. EBL is also computing Equity VaR (Value at Risk) on its equity exposure at 95% and 99% confidence level.

**d) Operational risk**

Operational risk encompasses potential losses arising from insufficient or failed internal control processes, human errors, system failures, or external events. These include risks such as fraud (by employees, customers, or third parties), natural disasters, technological breakdowns, control weaknesses, and unethical behavior of people.

The Risk Management Division (RMD) has enhanced the operational risk framework by integrating both quantitative and qualitative metrics, aligning with regulatory standards and the Bank's risk appetite. The division systematically gathers data at varying intervals, from monthly to annually, from diverse sources. Utilizing this data, RMD updates the risk matrix, identifies critical and high-risk issues, and reports them to the Management Committee (MANCOM), the Executive Risk Management Committee (ERMC), and the Risk Management Committee (RMC) of the Board for strategic guidance and implementation of risk mitigation strategies.

**e) Monitoring activities and corrective measures**

The Monitoring Department of ICCD ensures a strong risk culture and internal control framework within EBL, addressing regulatory and operational risks while supporting sustainable growth. It plays a key role in maintaining compliance, minimizing risks, and enhancing operational efficiency, especially in the face of digital transformation.

Key monitoring activities include:

- Management Reviews – Regular reporting to senior management and the audit committee on operational deficiencies and risk mitigation.
- Activity Controls – Periodic performance reviews of key departments like Corporate, Retail & SME, Credit Risk, Treasury, and Operations.
- Physical Controls – Restricting access to resources through security measures like dual control and periodic checks.
- Compliance with Exposure Limits – Ensuring adherence to risk limits to manage credit risk and maintain a low non-performing asset ratio.
- Approvals & Authorizations – Implementing approval thresholds to ensure accountability in transactions.
- Verifications & Reconciliations – Regular verification of transactions and reconciliation of records to detect and rectify discrepancies.

This structured approach helps EBL mitigate risks, comply with regulations, and maintain financial stability.

**f) Prevention of money laundering and terrorist financing**

EBL performs a series of activities in identifying, assessing, mitigating and monitoring risks related to Money Laundering (ML) and Terrorist Financing (TF). Bank has established a control framework for strict compliance with all regulatory directives issued from Bangladesh Financial Intelligence Unit with regard to AML & CFT. For prevention of Money Laundering and Terrorist Financing, the bank has developed EBL Money Laundering & Terrorist Financing Risk Assessment Policy, AML Policy, TBML Policy and many other guidelines in line with regulatory requirement. The bank has revised Central Compliance Committee (CCC) with 15 department/division heads to ensure collective participation of different departments in comprehensive AML and CFT program. Under direction of CCC and Chief Anti Money Laundering Compliance Officer (CAMLCO), AMLD implements and monitors different AML & CFT programs across bank. In addition to nominating Branch Anti-Money Laundering Compliance Officer (BAMLCO) at branches, we have nominated Department Anti-Money Laundering Compliance Officer (DAMLCO) at crucial departments to oversee AML/CFT compliance at root level.

EBL has implemented automated transaction monitoring and sanction screening system to corroborate AML/CFT compliance program. Currently 1 domestic and 7 international sanction screening lists are incorporated in the system for sanction compliance and 60 rules & 58 reports for robust transaction monitoring. To increase awareness among employees, EBL has adopted training programs such as need based training, foundation trainings, certification programs etc. for its employees.

**g) Information and communication technology risk**

Eastern Bank PLC. (EBL) continues to uphold a strong reputation for ICT security excellence within Bangladesh's banking sector by maintaining strict compliance with the ICT Security Guidelines issued by Bangladesh Bank. Building on its early achievement of PCI DSS certification in 2016, the Bank has consistently reinforced its commitment to safeguarding sensitive financial and customer information. This dedication is reflected in its ongoing PCI DSS compliance, sustained ISO 27001:2013 certification over consecutive years, and continued adherence to SWIFT Customer Security Programme (CSP) requirements, all of which have been independently assessed and validated up to 2025.

To ensure comprehensive protection of its critical assets, EBL's ICT Division has established a resilient security framework encompassing both physical and logical controls. High-security measures are in place to safeguard Data Centers and Disaster Recovery Sites, ensuring uninterrupted operations and resilience against evolving cyber risks.

On the logical security front, EBL has deployed advanced technologies including robust access management mechanisms, intrusion detection and prevention systems, web application firewalls, and secure email gateways. These controls are complemented by periodic internal and external vulnerability assessments and penetration testing exercises to proactively identify weaknesses and address them in a timely manner. Furthermore, the implementation of a Security Information and Event Management (SIEM) platform has significantly improved real-time visibility into security events, enabling quicker detection, analysis, and response to potential threats.

**h) Internal audit**

The Bank has an independent and functional internal audit department. The objective of internal audit is to examine and evaluate whether the process of risk management, internal control and governance are adequate and functioning properly. Internal audit department performs risk-based audit on various business and operational areas of the Bank and its Subsidiaries in accordance with the annual audit plan, approved by the Audit Committee of the Board. Audit rating on each internal audit is determined on the basis of the audit policy and guidelines as approved by the Board. Internal audit also plays an active role for improvements in internal control and risk management system of the bank through advising and recommending to higher management. The Audit Committee of the Board has active oversight on the internal audit's independence, scope of work and resources. The Audit Committee regularly reviews the financial statements, internal and external audit reports as well as monitors progress of previous findings. The minutes of the Audit Committee meetings are placed at the meetings of the Board of Directors on a periodic basis. However, the Head of Audit being part of internal control & compliance, reports to and is responsible to the Audit Committee of the Board.

**i) Prevention of fraud**

The 'Fraud and Theft Risk Prevention and Management Policy' approved by the Board is consistent with the Revised Process Document for SRP-SREP Dialogue on ICAAP and aligns with DOS Circular No. 10, dated May 9, 2017 to prevent, detect, and investigate any suspicions frauds including but not limited to any evasion, misappropriation, abuse and corruption and theft risk within EBL. The aim is to detect, act and report on time when a fraud case occurs, prevent fraudulent activity within, by and/or on behalf of the bank. EBL applies a zero-tolerance approach as regards to internal fraud, and keep the external fraud risk within its risk appetite, which is LOW.

EBL applies its Whistle blow/Speak up Policy and Incident Reporting (IR) Process Guideline designed for appropriate reporting to Managing Director and Head of Internal Control and Compliance (HoICC) and are followed to ensure investigation, prevention and record of all actual, attempted or suspected fraud incidents. The investigation process is designed such a way, the defendant/respondent is ensured with the right to defend and explain his/her stand within correct conduct and procedures that is followed in formal situations. Control processes and fraud risk awareness are overseen by a team of seasoned experts and experienced officials, reinforcing a strong culture of zero tolerance toward fraud.

#### Accounting policy

All investments are initially recognised at cost, including acquisition charges associated with the investment (other than government securities). Investments in government treasury securities or Bangladesh Bank Bills categorised as HTM or/and HFT are subsequently measured as per DOS circular no. 5 dated 26 May 2008, related clarifications as per DOS circular letter no. 5 dated 28 January 2009 and DOS Circular Letter No. 27 dated December 4, 2023. Investments classified as non-government treasury securities are subsequently measured either at cost or market value less any recoverable cost. Details are given below:

#### Investment in Govt.T-Securities/BB Bills- Held to Maturity (HTM)

Investments which are intended to be held till maturity are classified as Held to Maturity (HTM). These are measured at amortised cost at each year-end by taking into account any discount or premium on acquisition. Premiums are amortised and discounts are accredited, using the effective interest rate. Any increase in value of securities is booked to equity but decrease to profit and loss account. Income is recognised to profit and loss account on accrual basis as per BB guideline.

#### Investment in Govt.T-Securities/BB Bills- Held for Trading (HFT)

These are investments primarily held for selling or trading. After initial recognition, investments are marked-to-market on weekly basis. Any decrease on revaluation of securities is recognised to profit and loss account, but any increase of value of securities is booked to revaluation reserve account as per BB DOS circular no. 5 dated 28 January 2009. Income is recognised to profit and loss account on accrual basis as per BB guideline.

#### REPO and Reverse REPO

Transactions of REPO and Reverse REPO are made following DOS circular no. 6 dated 15 July 2010 of Bangladesh Bank. In case of REPO of both coupon and non-coupon bearing treasury securities, the Bank adjusts the revaluation reserve account for HFT securities and stops the weekly revaluation (if the revaluation date falls within the REPO period) of the same security. For interest bearing security, the Bank does not accrue interest during REPO period.

#### Investment in corporate bond, zero coupon bond, perpetual bond, debenture, pref. share etc.

These are investments primarily 'held to maturity' or 'without maturity date'. After initial recognition at cost, investments are measured at realizable value at every period end. Any decrease in value of securities is recognized to profit and loss account, but no unrealized gain is booked to revaluation reserve account. Income (i.e. interest, profit, gain or dividend) is recognized to profit and loss account on accrual basis as per IFRS and Bangladesh Bank guideline.

#### Investments – Initial recognition and subsequent measurement at a glance

Investments are stated as per following bases:

Investment class	Initial recognition	Measurement after initial recognition	Recording of changes
Govt. T-bills/bonds - Held For Trading (HFT)	Cost	Fair value	Revaluation loss is booked to profit and loss account, but gain is booked to revaluation reserve account through equity.
Govt. T-bills/bonds - Held To Maturity (HTM)	Cost	Amortised cost	Increase in value of securities is booked to revaluation reserve account through equity, but decrease is booked to profit and loss account.
Debenture/bond (quoted)	Cost	Lower of cost or market value (portfolio basis)	Provision for revaluation loss (net of gain) is charged to profit and loss account but no unrealized gain is booked following BB DOS circular no. 01/2023.
Debenture/bond (unquoted)	Cost	Lower of cost or realizable value	Provision is kept @ 25%, 50% and 100% on outstanding balance for 1st, 2nd and 3rd year respectively, following BB DOS circular no. 04/2019, if due coupon/dividend payment is not received on time.
Shares (quoted)*	Cost	Lower of cost or market value (portfolio basis)	Provision for revaluation loss (net of gain) is charged to profit and loss account but no unrealized gain is booked.
Shares (unquoted)*	Cost	Lower of cost or net worth	Provision for unrealized loss is charged to profit and loss account but no unrealized gain is booked.
Mutual fund (closed-end)*	Cost	Lower of cost or market value (portfolio basis)	Provision for unrealized loss (net) is charged to profit and loss account but no unrealized gain is booked.
Unit fund (open-end)*	Cost	Lower of cost or surrender value	Provision for unrealized loss (net) is charged to profit and loss account but no unrealized gain is booked.
Preference shares	Cost	Lower of cost or realizable value	Provision is kept @ 25%, 50% and 100% on outstanding balance for 1st, 2nd and 3rd year respectively, following BB DOS circular no. 04/2019, if due dividend payment is not received on time.
Prize bonds	Cost	Cost	None.

\* Based on DOS circular letter no. 1 dated 24 May 2023, provision for diminution of value of quoted shares, mutual funds (closed-end) and bonds has been made on 'portfolio basis' netting off gain and provision for diminution of value of unquoted shares and mutual funds has been made on the basis of net worth (Assets - Liabilities) of shares and surrender price of mutual funds respectively. The provision amount has been shown under other liabilities. Details are stated in note 13.14 of these financial statements.

## 7 Loans and advances/investments

### Accounting policy

#### Loans and advances/investments (initial recognition):

Loans and advances of conventional banking and investments of Islamic Banking operation comprise of non-derivative financial assets with fixed or determinable payments and are not quoted in an active market. These are recognised at gross amount on the date when they are originated. The group has not designated any loans and advances upon initial recognition as at fair value through profit and loss account or other comprehensive income.

After initial recognition, loans, and advances/investments are subsequently measured at amortised cost using effective interest/profit margin rate (EIR) over the relevant periods. The amortised cost of a financial asset is the amount at which the asset is measured at initial recognition less principal repayments, using EIR method. The EIR is the rate that exactly discounts estimated future cash receipts (estimates cash flows considering all contractual terms of the instrument but not future credit losses) during the expected life of the financial instrument.

#### Loans and advances/investments (classification and provisioning):

Classification of loans into substandard/doubtful/bad-loss category and general provision (GP) on unclassified loans (0.5% to 5%), certain off balance-sheet exposures (0% to 1%); specific provision (SP) on classified loans (20% to 100%) including rescheduled loans are made on the basis of quarter-end review and in compliance with BRPD Circular no. 5/2025, BRPD Circular no. 15/2024, BRPD circular no. 17/2020, BRPD circular no. 3/2021, BRPD circular no. 19/2021, BRPD circular no. 14/2022, BRPD circular no. 16/2022, BRPD circular letter no. 33/2022, BRPD circular letter no. 52/2022, BRPD circular letter no. 39/2024, BRPD circular no. 11/2023, BRPD circular no. 13/2024, BRPD circular no. 7/2025, BRPD circular letter no. 26/2025 BRPD circular letter no. 29/2025 and circular letters as issued by Bangladesh Bank time to time. Provisions and interest suspense are separately shown under other liabilities as per First Schedule of the Bank Company Act 1991 (as amended up to date), instead of netting off with loans. Details of rate for provisioning is given below:

A total of 07 companies have taken special rescheduling facilities under policy support of BRPD circular no. 07 dated 16 September 2025 issued by Bangladesh Bank. The Bank has maintained provision against these rescheduling loans as per the said circular, and subsequent BRPD circular letter no. 26 dated 24 November 2025, and relevant instructions as mentioned in specific approval letter for specific loans issued by Bangladesh Bank in this regard.

**Loans and advances/investments (write-off):**

Loans and advances/investments are written off in accordance with the guidelines of Bangladesh Bank, including BRPD Circular No. 04/2024, 08/2025 and 11/2025. As per these circulars, exposures classified as Bad/Loss with low prospects of recovery in the near future and with adequate provisions maintained may be written off. Prior to write-off, the Bank provides the borrower with at least 10 working days' notice and initiates legal action under the Artha Rin Adalat Act, 2003 where applicable. The latest guidelines also allow partial write-off, whereby the portion of loans and advances/investments not covered by eligible collateral may be written off. The Bank assesses eligible exposures for write-off at each reporting date in compliance with Bangladesh Bank guidelines.

**Loans and advances/investments (recovery from written off):**

The Bank takes necessary legal measures against default borrowers for recovery against written off loans and advances/investments as per relevant BB guidelines and Artha Rin Adalat Act-2003. Legal costs incurred against those borrowers are initially charged to the profit and loss account of the bank.

However, recovery including any legal cost against written off loans and advances/investments are recognised in profit and loss account as earned and on settlement basis. In 2025, the bank made a recovery of BDT 546 million from written off loans and advances/investments and presented in profit and loss account after netting off from specific provision.

#### 7.13 Willful Loan Defaulters

In compliance with Bangladesh Bank's BRPD Circular No. 06 dated March 12, 2024, titled "Identification & Finalization of Willful Defaulters and Measures to be Taken Against Them," Eastern Bank PLC. (EBL) established a dedicated Willful Loan Defaulters Identification Unit on April 4, 2024. The Unit was initially chaired by the Deputy Managing Director (DMD) & Chief Risk Officer (CRO) and is presently chaired by the Deputy Managing Director (DMD) & Head of Corporate Banking.

The Unit is entrusted with the responsibility of identifying and finalizing willful loan defaulters in strict adherence to the procedures, process flow, and timeline prescribed in the aforesaid BRPD circular.

Since its inception, the Unit has identified a number of borrowers across various business segments qualifying for classification as willful loan defaulters. Following comprehensive due diligence and upon obtaining approval from the bank's competent authority, quarterly reports have been duly submitted to the Banking Regulation and Policy Department (BRPD) of Bangladesh Bank in the prescribed format. In addition, relevant information has been reported to the Credit Information Bureau (CIB) of Bangladesh Bank in accordance with regulatory requirements. As of December 31, 2025, the number of borrowers classified as willful loan defaulters by the Bank stands at 28 (twenty-eight), with an aggregate outstanding loan exposure of BDT 1,522.6 million.

#### 8 Fixed assets including premises, furniture and fixtures

##### Accounting policy

##### Fixed assets (other than lease items)

The group applies IAS 16 *Property, Plant and Equipment* for its own assets which are held for current and future use in the business and are expected to be used for more than one year.

##### Recognition and measurement

Fixed assets are stated at cost less accumulated depreciation and impairment loss (if any) as per IAS 16.

The cost of an item of fixed assets is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the entity, and the cost of the item can be measured reliably.

##### The cost of an item of fixed assets comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- the initial estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

##### Subsequent costs

Subsequent costs of enhancement of existing assets are recognised as an addition to the asset, only when it is probable that future economic benefits associated with the item will flow to the bank and the cost of the item can be measured reliably. The costs of day-to-day servicing of fixed assets, i.e. repairs and maintenance is charged to profit and loss account as expense when incurred.

##### Depreciation

Depreciation is charged at the rates stated below on all the applicable items of fixed assets on the basis of estimated useful lives following the fixed asset policy of the Bank. In all cases depreciation is calculated on the straight line method. Charging depreciation commences from the month of acquisition (for full month) and ceases in the month when the assets are disposed. No depreciation is charged on capital-work-in-progress until the usage of the assets.

The rates of depreciation and useful lives for current and comparative years are given below:

##### Capital work in progress

Costs incurred for licensing and implementation, including advance payments made to vendors for software customization, hardware upgradation, and other related expenditures, are initially recognized as capital work-in-progress until the development or implementation work is completed and the asset is ready for its intended use. This asset is stated at cost and depreciation/amortization of the asset is charged from the date of its intended use.

##### Derecognition of fixed assets

The carrying amount of an item of fixed assets is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from derecognition of an item of fixed assets is recorded in profit and loss account when the item is derecognised.

#### Impairment of PPE

At each reporting date, the bank evaluates whether there are indications that the carrying amount of an asset may exceed its recoverable amount. If such indications exist, the bank estimates the asset's recoverable amount. An asset is considered impaired when its carrying amount exceeds the recoverable amount, which represents the value that can be recovered through its use or sale. In such cases, the impairment loss is recognized as an expense in the profit and loss account. For the reporting period, no impairment losses were recognized in the financial statements of the Bank, as no such indications were present as of the reporting date.

#### Intangible assets

Intangible asset is an identifiable non-monetary asset without physical substance. The Group classifies its intangible assets as per IAS 38 *Intangible assets* which comprises the value of all licensed software including core banking software of the Bank, cards management software, cheque processing software (i.e. BEFTN), software of subsidiaries and other integrated customised software for call center, ATM service, Finance and HR operations.

#### Recognition, subsequent expenditure and measurement

The Group recognises an intangible asset if it is probable that future economic benefits that are attributable to the assets will flow to the entity and the cost of the asset can be measured reliably in accordance with IAS 38 *Intangible Assets*. The Group does not have any intangible assets with indefinite useful lives.

Subsequent expenditure on intangible asset of the Group is capitalised only when it increases the future economic benefits embodied in the specific assets to which it relates; otherwise is charged as expense when incurred.

#### Impairment of Intangible Assets:

According to IAS 36: *Impairment of Assets*, intangible assets with a definite useful life are initially assessed for any indications of impairment. If such indications are identified, an impairment test is conducted.

Details of fixed assets are presented in *note 8 and Annexure - A* of these financial statements.

#### Leases

As per IFRS 16 *Leases*, the bank has made recognition, measurement and disclosure in the financial statements both as Lessee and Lessor from the date of commencement or 01 January 2019 (date of initial application).

#### Right of use assets (RoU)

The Bank recognises right-of-use assets at the date of initial application of IFRS 16. Right-of-use assets are measured at cost, less any accumulated depreciation, and adjusted for any re-measurement of lease liabilities. The cost of ROU assets includes the amount of lease liabilities recognised, initial direct cost incurred, and lease payment made on or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term and presented under fixed assets.

#### Lease Liabilities

At the commencement date, the Bank recognizes a lease liability measured at the present value of lease payments to be made over the lease term. Lease payments comprise fixed payments (including in-substance fixed payments), variable payments that depend on an index or rate, amounts expected to be payable under residual value guarantees, the exercise price of a purchase option if reasonably certain to be exercised, and penalties for terminating the lease, if the lease term reflects the exercise of that option. The lease liability is measured by adjusting its carrying amount to account for interest accrued on the liability, reducing it for lease payments made, and remeasuring it to reflect any reassessment or modifications to the lease. The interest for each period of the lease term is calculated to ensure a consistent periodic interest rate is applied to the outstanding balance of the lease liability. The lease payments have been discounted using Treasury bond rate of similar tenors i.e. 3 -10 years as implicit borrowing rate on applicable point of time. For example, 5 years T-bond rate ranging from 10.03% - 12.40% have been used at the time of execution of those contracts having weighted average lease tenor of 5 years or more.

#### Short-term leases and leases of low value assets

EBL assessed all live lease contracts and has chosen not to recognize right-of-use assets and lease liabilities for leases of low value assets and short-term leases, i.e. for which the lease term ends within 12 months of the date of initial application. The Bank recognizes lease payments associated with these leases as an expense. For leases of low value items, the Bank has adopted a single threshold on a lease-by-lease basis, based on the materiality level outlined in the Fixed Assets Policy. Bank has not recognized RoU assets and liabilities for such items (ATM booths, branches, and sub-branches) values of which are within materiality threshold following paragraph 5 of IFRS 16.

In 2025 the bank reassessed all lease payments of existing contracts for remaining period considering a cut-off date i.e. 01 January 2025. The lease liabilities are presented in the note 13 of these financial statements.

<b>Other assets</b>					
<b>Accounting policy</b>					
As per BRPD circular no. 14 dated 25 June 2003, other assets have been presented separately in the balance sheet and categorized as 'income generating' and 'non-income generating' in notes to the financial statements. These assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the entity and costs are reliably measured. Other assets include investment in subsidiaries, Trading Right Entitlement Certificate (TREC) of DSE & CSE, advance for revenue and capital expenditure, stocks of stationery and stamps, security deposits to government agencies, other receivables etc., as per BRPD circular no. 14/2003.					
<b>Investment in subsidiaries</b>					
Investment in subsidiaries is accounted for under the cost method of accounting in accordance with IAS 27 <i>Consolidated and separate financial statements</i> , IFRS 3 <i>Business combination</i> and IFRS 10 <i>Consolidated financial statements</i> . Impairment of investment in subsidiaries is made as per the provision of IAS 36 <i>Impairment of Assets</i> .					
<b>Deferred tax</b>					
Deferred tax assets or liabilities are recognised by the Bank on deductible or taxable temporary differences between the carrying amount of assets and liabilities used for financial reporting and the amount used for taxation purpose as required by IAS 12 <i>Income taxes</i> and BRPD circular no.11 dated 12 December 2011. Deferred tax assets is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which they can be used. Deferred tax assets and liabilities are reviewed at each reporting period and are measured at the applicable tax rate as per tax laws that are expected to be applied when the assets is realised and liability is settled. Any unrecognised deferred tax assets or liabilities are reassessed at each reporting period and recognised only if that has become probable that future taxable profit or loss will be available against which they can be used or settled.					
Deferred tax has not been recognized on exchange differences arising from the translation of the Group's investment in its foreign subsidiary, as the Group controls the timing of reversal of such temporary differences and it is not probable that they will reverse in the foreseeable future (IAS 12, para 39). The Group's foreign subsidiary is held for long-term strategic purpose and the Group has no intention to dispose of its investment.					
Exchange differences arising from translation of the functional currency into presentation currency of Offshore Banking Unit (functional currency USD) are recognized in OCI and accumulated in the foreign currency translation reserve in accordance with IAS 21. No deferred tax has been recognized on these translation differences, as the Bank controls the timing of reversal and such differences are not expected to reverse in the foreseeable future (IAS 12 para 39).					
Details of deferred tax assets or liabilities and amount recognised in profit and loss account for deferred tax income or expense are given in note 9.7 and 9.8 in the financial statements.

### 9.3 Fair value measurement of TREC and Shares of both DSE and CSE (held by EBLSL)

As per Exchange Demutualization Act 2013, EBLSL was awarded Trading Right Entitlement Certificate (TREC) as well as ordinary shares of both the bourses i.e. DSE and CSE in exchange of membership licenses under Demutualization Scheme ("the Scheme"). Subsequently, under a purchase agreement between demutualized DSE and strategic partner China Consortium, EBLSL sold out 25% of its holding to China Consortium at a negotiated price of BDT 21 per share (Face value: BDT 10 each) and under an agreement between demutualized CSE and strategic partner ABG limited, EBLSL sold 25% of its holding to ABG limited at a negotiated price of BDT 15 per share (Face value: BDT 10 each). As of 31-12-2025, Share composition of DSE and CSE held by EBLSL was as follows:

Particulars	No of shares held	Face value per share (BDT)
Dhaka Stock Exchange PLC.	5,411,329	10.00
Chittagong Stock Exchange PLC.	3,215,497	10.00
<b>Total</b>	<b>8,626,826</b>	<b>10.00</b>

Earlier, EBLSL carried out a valuation by ACNABIN, chartered accountants, to determine the fair value of TREC and Shares of both the bourses i.e. DSE and CSE. The value of TREC was determined applying varying weights to the results of three valuation approaches i.e. Cost approach, Market approach and Income approach. Fair value of DSE shares was determined on the basis of recent transaction price made between DSE and China Consortium but face value of CSE shares was taken as fair value as there was no offer price from any third party. However, EBL management expects the fair value of TREC and Shares of DSE and CSE altogether is to be similar to net realizable value in line with present growth pattern of business and outlook of EBLSL. The valuation result of TREC and Shares held by EBLSL under the above methodologies are as follows:

#### 9.3.1 Fair value of DSE-TREC and shares (held by EBLSL)

## 10 Non-banking assets

### Accounting policy

Non-banking asset (NBA) is acquired due to failure of borrower to repay the loan in time taken against mortgaged properties. NBA is recognised in the financial statements on the basis of third party valuation and in compliance with the NBA Policy guided by Bangladesh Bank (BRPD circular no. 22 dated 20 September 2021).

As on the reporting date, the Bank had absolute ownership on few mortgaged properties (mostly land) through the verdict of the honorable court under section 33 (7) of the Artharin Adalat Act 2003 but those are yet to be recognized in the financial statements as non-earning assets in compliance with the said BB circular.

Details of NBAs awarded to the Bank are given in **Annexure-D1**.

## 13 Other liabilities

### Accounting policy

Other liabilities comprise items such as provision for loans and advances/investments, provision for taxes, interest/profit payable on borrowing/placement, interest suspense/profit suspense and accrued expenses etc. Individual item-wise liabilities are recognised as per the applicable guidelines of Bangladesh Bank and International Financial Reporting Standards.

### Provision for current tax expense

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the reporting date and any adjustment to the tax payable in respect of previous years.

Provision for current income tax of the Bank has been made on taxable income @ 37.5 % considering disallowances of expenses and concessional rates on certain incomes (15% on gain from govt. securities, 15% on capital gain of shares & mutual funds and 20% on dividend income) as per Income Tax Act 2023. Tax provision of the Group entities is made on taxable income of subsidiaries at different rates applicable as per the Income Tax Act 2023 and the tax authority of the country where it is incorporated. Details of provisioning are stated in note 13.4 of these financial statements.

### Applicable tax rate for the income year 2025

Particulars	Bank	EBL Securities PLC.	EBL Investments Limited	EBL Asset Management Limited	EBL finance (HK) Limited
Corporate tax rate	37.50%	27.50%	27.50%	27.50%	8.25% - 16.50%

### Assessment of uncertainty over income tax treatments (under IFRIC 23)

At each reporting period, the Bank assesses uncertain tax treatment individually or collectively line with Income Tax Act 2023 and subsequent Finance Ordinance 2025. The Bank applies its own judgment and past evidence of tax assessment and demand in identifying uncertainties over income tax treatments. Since the Bank is being operated as a complex financial intermediary to provide comprehensive financial solutions, it assesses whether the interpretation of IFRIC 23 *Uncertainty over income tax treatments* has any impact particularly on those relating to transfer pricing, payment under credit facilities etc., in its consolidated financial statements. The Bank believes that its tax treatments (including those for the subsidiaries) is more likely to be accepted by the tax authority. Therefore, this interpretation does not have any impact on the consolidated financial statements of the Bank.

### Provision for loans and advances/investments

Provision for loans and advances/investments is made on the basis of quarter-end review by the management and in compliance with BRPD Circular no. 15/2024, BRPD circular no. 17/2020, BRPD circular no. 3/2021, BRPD circular no. 14/2022, BRPD circular no. 16/2022, BRPD circular letter no. 33/2022, BRPD circular letter no. 52/2022, BRPD circular letter no. 39/2024, BRPD circular no. 11/2023, BRPD circular no. 13/2024, BRPD circular no. 7/2025, BRPD circular letter no. 26/2025 BRPD circular letter no. 29/2025 and circular letters as issued by Bangladesh Bank time to time. Details of provisioning are stated in note 13.8 of these financial statements.

### Provision for off-balance sheet exposures

In compliance with BRPD circular no. 06 dated 25 April 2023, the Bank has been maintaining adequate provision against off-balance sheet exposures (mainly contingent assets/liabilities).

### Provision against investment in capital market

Based on DOS circular letter no. 1 dated 24 May 2023, provision for diminution of value of quoted shares, mutual funds (closed-end) and bonds has been made on 'portfolio basis' netting off gain; provision for diminution of value of unquoted shares and mutual funds has been made on the basis of net worth (Assets - Liabilities) of shares and surrender price of mutual funds respectively. These provisions are placed under other liabilities. Details are stated in note 13.14 of these financial statements.

### Provision for other assets

Provision for other assets is made following BRPD circular No. 4 dated 12 April 2022. Required provision is maintained on other assets which are outstanding for one year or more or classified as Bad/Loss. Details of provisioning are stated in note 13.12 of these financial statements.

### Provision for nostro accounts

Provision for unsettled transactions in nostro accounts is made as per FEPD circular no. FEPD (FEMO)/01/2005-677 dated 13 September 2005 and subsequent BRPD circular no. 04/2022 of Bangladesh Bank. As on the reporting date, the Bank has no unsettled debit transactions outstanding for more than 6 months and no provision has been made in this regard.

<b>Provision for liabilities and accrued expenses</b>					
In compliance with IAS 37 Provisions, contingent liabilities and contingent assets, provisions for other liabilities and accrued expenses are recognised in the financial statements when the Bank has a legal or constructive obligation as a result of past event and is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.					
<b>Retirement/post-employment benefits</b>					
The Bank contributes to a defined contribution plan (Provident Fund) and two defined benefit plans (gratuity fund and superannuation fund) in compliance with the provisions of IAS 19 Employee benefits. Three local subsidiaries i.e. EBLSL, EBLIL and EBLAML of the Bank have also been maintaining provident fund and gratuity fund under separate trustee boards.					
<b>Defined contribution plans</b>					
Post-employment benefit plans under which rate of contributions into the plan is fixed. Any payment out of the plan to eligible outgoing members is based on the size of the 'fund' that comprises cumulative contributions made into the scheme and investment returns on scheme assets. The Group maintains defined contribution plan i.e. provident fund for its employees under separate trustee board.					
<b>Provident fund</b>					
The Bank operates a contributory provident fund (recognised by NBR on 31 July 1997) for its permanent employees funded by the employees (10% of basic salary) and the Bank equally. The Bank's contribution is made each month and recorded under salary and allowances. This fund is managed by a separate trustee board and any investment decision out of this fund is made separately by that independent Board of Trustees. Subsidiaries of the Bank also operate separate contributory provident funds for its permanent employees funded by both the employees and organisation equally.					
Amount charged in profit and loss account as expense on defined contribution plan of the group is detailed in note 27 of these financial statements.					
<b>Defined benefit plans</b>					
Post-employment benefit plans which define the amount that outgoing members will receive from the plans on separation on the bases of length of service and salary levels. Contributions are made by the Bank into the scheme based on actuarial valuation. The Bank has an obligation to make up any shortfall in the plan, thereby bearing the risk of the plan under performing. The Bank maintains two defined benefit plans i.e. gratuity fund and superannuation fund for its employees under two separate trustee boards. Three local subsidiaries (EBLSL, EBLIL and EBLAML) also maintain defined benefit plan i.e. 'Gratuity fund' under separate trustee boards.					
<b>Gratuity fund</b>					
The Bank operates a funded gratuity scheme recognised by NBR with effect from 1 January 1997. This fund is managed separately by a separate trustee board and any investment decision out of this fund is also made by this Board of Trustees. The benefit is paid on separation to the eligible employees i.e. who have completed at least 5 (five) years of continuous service. As per the Bank's policy, eligible employees are provided with the benefit equal to the latest monthly basic salary multiplied by applicable rates that varies as per service length. Contribution to gratuity fund is made monthly on the basis of actuarial valuation immediately after any major change in the salary structure that could impact the periodic amount of contributions. The last actuarial valuation was carried out on 31 December 2024 by Air Consulting Limited and as per their recommendation the Bank charged BDT 399.6 million to the Profit & Loss Account in 2025 as current service cost. The bank also contributed @ 21.75% (BDT 662.1 million) of basic salary to the gratuity fund in 2025 as per actuarial recommendation.					
<b>Superannuation fund</b>					
The Bank operates a recognised superannuation fund effective from 20 November 1999 which is governed by the trust deed of 'EBL Employees Superannuation Fund Trust'. As per the trust deed, benefit is payable to the eligible employees of the Bank as per their grade, length of service etc. As per the last valuation by Air Consulting Limited carried out on 31 December 2024, the Bank charged current service cost of BDT 7.4 million to the Profit & Loss Account in 2025. The bank also contributed BDT 24.0 million to the superannuation fund in 2025 as per actuarial recommendation.					
Details i.e. actuarial liability, valuation method, service cost, required contribution etc. of defined benefit plans and amount recognized in profit & loss account are stated in note 13.17 of these financial statements.					
<b>Workers Profit Participation Fund</b>					
Consistent with widely accepted industry practice and in line with section 11(1) of the Bank Company Act 1991 (as amendment up to date) and subsequent clarification given by Bank & Financial Institutions Division (BFID), Ministry of Finance, no provision has been made by the Bank in the reporting period against Workers Profit Participation Fund (WPPF).					
<b>Other long-term benefits</b>					
The Bank's obligation in respect of long term benefit other than gratuity fund and superannuation fund is the amount of future benefits that employees have earned i.e. earned leave encashment in return for their service in the current and prior periods. The nature of this benefit to the eligible employees is encashment of earned leave up to maximum 90 days which is calculated based on last basic salary, house rent and medical allowance and is paid at the time of paying end service benefit. The Bank has kept required provision against liability for earned leave encashment as per actuarial valuation.					
The Group does not have any other long term employee benefit plans.					
<b>Short term benefits</b>					
Short term employee benefits i.e. hospitalisation facilities are expensed as the related service is provided to the eligible employees as per companies policy. Liability is recognised only for the amount expected to be paid if the Group has a present legal or constructive obligation to pay any amount as a result of past service provided by the employees and the obligation can be estimated reliably.					
<b>Dividend payments</b>					
Interim dividend is recognised only when the shareholders' right to receive payment is established. Final dividend is recognised when it is approved by the shareholders in AGM. However, the proposed dividend for the year 2025 has not been recognised as a liability in the balance sheet in accordance with IAS 10 Events after the reporting period. Dividend payable to the Bank's shareholders is recognised as a liability and deducted from the shareholders' equity in the period in which the shareholders' right to receive payment is established.

## 14.2 Capital to risk weighted assets ratio (CRAR)

As per the 'Revised Guidelines on Risk Based Capital Adequacy (RBCA)' issued by Bangladesh Bank in December 2014, all scheduled banks are required to calculate Capital to Risk Weighted Assets Ratio based on 'Solo' as well as 'Consolidated' basis since early 2015. Here, regulatory capital base is quite different from accounting capital. Regulatory capital consists of Tier-1 (Common Equity Tier 1 and Additional Tier 1) and Tier 2 capital. Assessing regulatory capital in relation to overall risk exposures of a bank is an integrated and comprehensive process. EBL has been generating most of its incremental capital from retained profit (stock dividend and statutory reserve transfer etc.) and occasional issue of subordinated debt and right shares to support incremental growth of Risk Weighted Assets (RWA). In addition to the regulatory requirement, the Bank maintains surplus capital which may act as a buffer for absorbing any material risks and help support planned business growth.

In accordance with Bangladesh Bank (BB) SMESPD Circular No. 04 dated 29 March 2021 and SMESPD Circular Letter No. 05 dated 26 April 2021, the Bank has been building a start-up fund equivalent to 1% of its profit after tax annually since 2020. As stipulated in these circulars, the start-up fund was initially disclosed under other liabilities. Later, pursuant to SMESPD Circular No. 02 dated 09 July 2025, the presentation was revised, requiring the fund to be reported as a Start-up Equity Investment Fund, separate from other liabilities. Accordingly, the Bank has reclassified the start-up fund from Other Liabilities to Equity in the financial statements.

In line with IAS 1 Presentation of Financial Statements (paragraphs 38 and 41), the prior year's comparative figures have been reclassified to maintain consistency and ensure comparability.

## 21 Contingent liabilities

### Accounting policy

Contingent liabilities which include certain guarantees and letters of credit pledged as collateral are possible obligations that may arise from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank. Contingent liabilities are recognised in the financial statements and disclosed in the face of balance sheet under off-balance sheet items as per the guidelines of BRPD circular No. 14 dated 25 June 2003. Required provision has been maintained as per BRPD circular 06 dated 25 April 2023.

#### 21.5 Others

Eastern Bank PLC. successfully arranged and executed an Export Credit Agency (ECA) transaction amounting to EUR 15.6 million after obtaining approval from BIDA. LBBW, a German bank, agreed to extend long-term financing to one of our clients through local banks. Eastern Bank PLC. acts as the lead arranger among the participating local banks. This ECA facility is supported by a guarantee from Hermes, the German Export Credit Agency.

Under this arrangement, EBL (along with two other local banks) has recorded the disbursed amount as a contingent liability. Currently, the outstanding balance stands at BDT 801,211,428. Required provision is kept against this liability as per Bangladesh Bank circular.

### 24 Investment income

#### Recognition policy:

Income on investments in government and other securities, debentures and bonds are accounted for on accrual basis as per the provisions of *Conceptual Framework for Financial Reporting, IFRS 9* and relevant Bangladesh Bank guidelines.

Dividend income from investment in equity instruments and from subsidiaries is recognised at the time when it is declared, can be reliably measured and right to receive the payment is established. Income on perpetual bond is recognised upon receiving the rate confirmation from the trustees so as the dividend amount is reliably measured and is probable that the economic benefit will flow to the bank.

Non-interest investment income i.e. gain/loss arising from trading in government securities (HFT), quoted and unquoted shares & mutual funds is recognised in profit and loss account at the time of effecting the transactions except those which are restricted by Bangladesh Bank.

Though the issuer of the perpetual bonds has a right to cancel any coupon payments to bondholders on a condition of non-payment of dividend to equity holders, the track record of our investee entities in terms of consistent dividend payments backed by good asset quality, strong capital base, good profitability and efficient liquidity management does not necessitate us to expect that they will cancel the coupon payments. Therefore, during the year, the bank recognized dividend income of BDT 63,155,033.71 on accrual basis.

\*The number of regular employees engaged for the whole year or part thereof who received a minimum total remuneration of BDT 36,000 p.a. was 3,395 at the end of December 2025 and 2,916 at the end of December 2024.

#### 27.1 Current service cost - Gratuity Fund (Bank only)

The current service cost of the defined benefit plans are determined as per the actuarial valuation report which involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates, future pension increase, etc. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

The last valuation was carried out on 31 December 2024 by Air Consulting Limited and as per their recommendation the Bank charged BDT 399.6 million (13.13% of Basic Salary) to the Profit & Loss Account in 2025 as current service cost. The bank also continued to contribute 21.75% of basic salary to the Gratuity Fund in 2025 as per actuarial recommendation.

#### 27.2 Current service cost - Superannuation Fund (Bank only)

Contribution to superannuation fund is made as per actuarial valuation of the fund. Valuation is carried out on 'Projected unit credit method' as per International Accounting Standard (IAS) 19 *Employee Benefits* to determine the present value of obligations and the related current service cost and, where applicable past service cost. The amount of obligation is determined on the occurrence of certain pre-defined events which is related with employee rank (not salary) and certain threshold level of service being reached i.e. survival or withdrawal probabilities.

As per the last valuation by Air Consulting Limited carried out on 31 December 2024, the Bank charged current service cost of BDT 7.4 million to the Profit & Loss Account in 2025. The bank also contributed BDT 24.0 million to the Superannuation Fund in 2025 as per actuarial recommendation.

**Discontinuation of transactions with "related parties":** Following the Bangladesh Bank BRPD circular dated June 15, 2022, which restricts banks for procuring goods or services from "related parties," EBL discontinued all such transactions with exception of HSIA (Dhaka Airport) service from Unique Hotel & Resorts PLC (UHRL). Due to UHRL's unique service offerings and the lack of suitable alternatives—particularly for EBL's card business—the bank obtained formal permission from Bangladesh Bank to continue this partnership till 30th June 2026 through BRPD letter no. (LS-2)/745(19)/2026-31 dated 1st January, 2026.

The Board approved the sale of the property for Tk. 1.1 million in its 530th meeting held on 17 April 2014. Subsequently, the Bank filed Miscellaneous Case No. 39/15 on 16 November 2015 before the Artha Rin Adalat, Sylhet against Islamic Bank Bangladesh Ltd., Taltala Branch, Sylhet, stating that the borrower, Eastern Industries, had mortgaged the same land to both EBL and IBBL. While executing the Certificate under Section 33(7), the Bank attempted to register the mutation of the land in EBL's name; however, IBBL simultaneously applied for mutation over the same property. Consequently, the concerned AC (Land) dismissed the mutation request, directing that the dispute be resolved by the Artha Rin Adalat, Sylhet. The mutation of 200 sq. yards has been completed in the name of EBL. Registration of the Sale Deed in favor of the highest bidder has also been executed, and physical possession is currently in process.

**Eastern Bank PLC.**  
**Islamic Banking**  
Notes to the Financial Statements  
as at 31 December 2025

**1.0 Status of EBL Islamic Banking**

Islamic Banking, as a broader concept, seeks not only to avoid interest-based transactions prohibited under Islamic Shariah but also to prevent unethical practices and actively contribute to achieving the objectives of an Islamic economy. Eastern Bank PLC commenced its Islamic Banking commercial operations on August 22, 2024, and officially inaugurated on September 01, 2024 with the objective of offering Shariah-compliant financial services in alignment with Islamic Principles as well as the regulatory framework prescribed by Bangladesh Bank. EBL Islamic Banking has designed and launched a comprehensive suite of products based on established Shariah principles to cater to the diverse needs of its clientele. While Islamic Banking operations function independently from the Bank's conventional banking business, a robust and segregated accounting framework is maintained to ensure strict adherence to Shariah principles—particularly the prohibition of interest (Riba).

**1.1 Nature of Business**

Islamic Banking Wing of Eastern Bank PLC. (EBL) offers a full range of Shariah-compliant commercial banking services through its dedicated windows, in accordance with the Bank Company Act 1991 (as amended), directives from Bangladesh Bank, other regulatory authorities, and the principles of Islamic Shariah.

Our offerings include: Deposits products -Islamic Current Account based on Al-Wadiah principle and Islamic Savings, Islamic SND & Islamic Term Deposits structured under Mudarabah Principle and Financing Products based on shariah mode - Murabahah, Diminishing Musharakah, Continuous Musharakah etc. EBL's Islamic Banking operations are closely monitored and supervised by a dedicated team of knowledgeable professionals to ensure Shariah compliance, foster development, and support the growth of our Islamic Banking business.

**1.2 Profit Distribution to Mudarabah Depositors**

Considering the Shariah requirements and the Guidelines for Islamic Banking issued by Bangladesh Bank, EBL Islamic Banking has implemented a Weightage-Based Framework of Rate of Return for distributing profit among Mudarabah depositors (Sahib Al-Maal). Under this framework, profit is allocated through product-wise Profit-Sharing Ratios (PSR) and weightages for different deposit categories.

For the year 2025, the PSR between the Bank and the Mudarabah depositors was 70:30 (Depositors: Bank) from January to July 2025 and was subsequently revised to 65:35 from August to December 2025, considering the Bank's profitability, liquidity management, and market competitiveness. As per regulatory instructions, profit during the year was paid at provisional rates, subject to adjustment after finalization of accounts at year-end.

Accordingly, upon finalization of the accounts for the year 2025, 28.09% of the funded income was retained by the Bank as Mudarib, while 71.91% was distributed among Mudarabah depositors, which is higher than the interim contractual PSRs. Accordingly, the Bank has determined the final PSR at 71.91% in favor of depositors. This treatment is fully Shariah-compliant ensuring transparency, fairness, and protection of depositors' interests and duly approved in the 15th meeting of EBL-SSC.

**2.0 Basis of preparation of the Financial Statements**

"Islamic Banking Wing" of the Bank is being operated in strict compliance with the rules of Islamic Shariah. The financial statements of the EBL Islamic Banking have been prepared under the historical cost convention in accordance with International Financial Reporting Standards (IFRS) and as per provisions of the "Guidelines for Islamic Banking" issued by Bangladesh Bank through BRPD Circular No. 15 dated 09 November 2009 with reference to the provisions of the Bank Companies Act, 1991 (as amended) and other applicable circulars, instructions, rules, and regulations issued by Bangladesh Bank and other regulatory authorities, as well as Shariah principles applicable to Islamic Banking operations. In case any requirement of the Bank Companies Act 1991 (as amended) and provisions and circulars issued by Bangladesh Bank differ with those of IFRSs as adopted, the requirements of the Bank Companies Act 1991 (as amended) and provisions and circulars issued by Bangladesh Bank shall prevail.

**2.1 Income/ Revenue Recognition Principle**

The bank earns income from various sources such as financing income, investment income, charges, fees, commission, placement income etc. Fees, commission and exchange gain from services or general investment provided by the Bank are recognized as and when the related services are rendered. Income from Placement, Financing and Investment are recognized on accrual basis in accordance with the applicable accounting standards and Bangladesh Bank guidelines. In recognizing income, EBL Islamic Banking ensures compliance with Shariah principles and guidelines.

## 2.2 Expense Recognition Principle

Expense in respect of profit paid on deposits is recognized on an accrual basis. Monthly accruals are calculated based on the provisional profit rates applied to the respective Mudarabah deposit products. The final profit rates are determined annually after the end of the financial year, based on the income generated from various investments and other business activities. Profit is then adjusted among the Mudarabah depositors in accordance with the approved Profit Sharing Ratio (PSR) and weightage assigned to the respective deposit products, as approved by EBL-SSC

## 2.3 Compensation Account & Shariah Non-Compliance Income

Any income that becomes doubtful from a Shariah perspective is excluded from the distributable income of the Bank. In addition, compensation is not recognized as regular income of the Bank in accordance with Shariah principles. Such amounts, if realized or accrued, are transferred to a charity account and utilized for Shariah-approved charitable purposes under the supervision of the EBL Shariah Supervisory Committee.

## 2.4 Reporting Period

The financial statements cover the reporting period from 01 January 2025 to 31 December 2025.

## 3.0 Shariah Compliance

EBL Islamic Banking strictly complies with the instructions of Bangladesh Bank regarding Islamic banking operations, as well as the rulings of the EBL Shariah Supervisory Committee. The accounting policies applied in the financial statements of the Bank's main operations have been consistently followed in the financial statements of EBL Islamic Banking, except where otherwise instructed by Bangladesh Bank, as the primary regulator, and the EBL Shariah Supervisory Committee. Accordingly, EBL Islamic Banking adheres to the following:

- Complete segregation of funds is maintained, ensuring that Islamic Banking funds are not mixed with the conventional banking funds of the Bank.
- The Bank's overall Islamic Banking operations, including fund deployment and profit distribution mechanisms, generally comply with Shariah rules and principles.
- Separate books of accounts are maintained for EBL Islamic Banking, including a separate Balance Sheet, Profit & Loss Account, and Cash Flow Statement.
- Distribution of profit to the Mudarabah Depositors conforms to the basis that has been approved in accordance with Shariah rules and principles and BB guidelines.
- The agreements, contracts, transactions and dealings entered into by the Islamic Banking during the year 2025 have been reviewed by EBL-SSC and found in compliance with Shariah principles.
- During the review period, no income generated from sources or activities prohibited under Shariah principles was identified. Accordingly, no doubtful income has been reported.

## 4 General

- i. The amount presented in the financial statements of EBL Islamic Banking are expressed in Bangladeshi Taka (BDT) and have been rounded to the nearest Taka, unless otherwise stated.
- ii. Operating expenses in the nature of rent, rates and taxes, salaries, management expenses, printing and stationery, electricity, postages, stamps, telecommunication and other fees & expenses are accounted for separately for the Islamic Banking Unit following the same accounting principles adopted by the Bank.
- iii. Fixed assets relating to the Islamic Banking Wing are recorded in the books of Islamic Banking, and depreciation on such assets is charged to the Profit and Loss Account of the Islamic Banking Unit of the Bank.
